

Cisco Live 2026 Amsterdam Instructor Labs Kick-off Call #1

CISCO Live !

Milivoje Mirovic & Vladimir Joshevski
Session Group Managers (SGMs) for Instructor Led Labs

The background of the slide is an abstract composition of flowing, wavy lines in various shades of blue, from deep navy to bright cyan. There are also some thin, curved lines in orange and pink, particularly in the upper right quadrant. The overall effect is dynamic and modern.

Congratulations!

The SGM's for the ILL 2026 AMS

Vladimir Joshevski

Product Management Architect

Milivoje Mirovic

Solutions Engineer

Agenda

- 01 Welcome
- 02 Instructor Led Lab - Specifics
- 03 Rooms
- 04 Speaker Logistics and Expectations
- 05 ILT assistant
- 06 dCloud (Presented by Monica)
- 07 Markdown Template

Immediate action

Please obtain travel approvals ASAP

Communication with SGM team via your dedicated lab WebEx space

Any changes in the lab to be communicated with cisco-speaker@ciscolive.com with SGMs in copy

Instructor Led Lab (ILT or LTR) – Specifics

- 4 hours lab
- In Cisco Live EMEA, ILTs are **included in the Main Conference Pass**
- 30 or 16 seats / attendees:
 - 1 attendee per seat
 - 1 workstation per seat
 - 2 monitors per seat

The goal is to have 1 pod per attendee

Note: 4 hours of precious time during major intustry conference...

Instructor Led Labs - Rooms

63 Labs with 30 seats and 14 Labs with 16 seats

Workstation

2 monitors

Keyboard (hopefully not only some exotic European language key mapping)

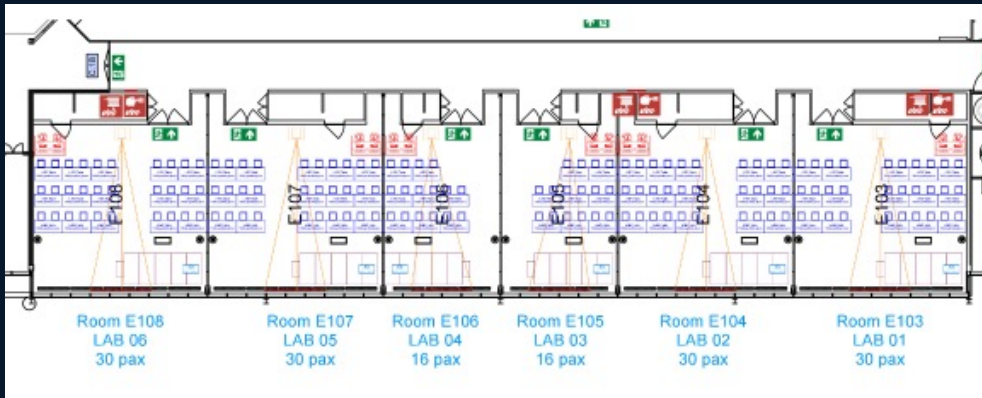

Internet connection available: Wired and Wireless

Attendees are allowed to enter the room 15 min before the session

Session starts at the scheduled time

If room is not full people from waiting list have priority to enter

Latest Floorplans – Labs

Lab Infrastructure

Where is **Your** Lab hosted:

- dCloud – make sure you engage dCloud ASAP to have your request evaluated
- DMZ connected labs (split tunnel required)
- Any other publicly available environment

You cannot connect back into Cisco Corporate!

Please reach out to us if you have any special HW or connectivity requirements until November 18. Afterwards it will be best effort support.

You are responsible for the equipment, connectivity and configurations
– Cisco Live Staff and SGMs provide Internet access and workstations

Lab Guide Documentation

What type of documentation is supported?

- Online lab documentation is welcome (e.g. HTML)
- Markdown Template

If you need other software, please get in touch with us until 15th of November

ILT Lab assistant

The background of the slide is an abstract composition of flowing, wavy lines in various shades of blue, from deep navy to bright cyan. In the upper right quadrant, there are several thin, curved lines in orange and pink, adding a sense of depth and movement. The overall effect is dynamic and futuristic.

dCloud

Lab Guides documentation

Main Takeaways

- dCloud reservation and requirements
- Speaker Resource Center (SRC) Tasks/Deadlines
- Number of Pods confirmed by many of You → Thank you!
- WebEx Room “For Each LAB” → Any ILT Questions
- WebEx Room “Q&A” in “Cisco Live 2026 Amsterdam All Speakers”
- Email cisco-speaker@ciscolive.com for Cisco Live Speaker support

The background of the slide is an abstract composition of light trails. On the left, there are bright, diagonal streaks of yellow and orange light. On the right, there are more complex, swirling patterns of blue and purple light. A dark blue rectangular box is positioned on the left side, containing the text 'Thank You!'.

Thank You!
